Dear Sir;

CLERK, U.S. DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA
BY DEPUTY CLERK

8/8/21 pg 1

My name is Phillip Brock.

I am currently in VSP (Valley State Prison).

About 4 1/2 years ago, I was kidnapped and tortured by (6) Six people, for 3 days and nights.

I ended up escaping on the 4th night, by jumping out of a moving VAN at around 25 mph.

During the 3 days of my captivity, I was electrocuted in my mouth, my eyes, my feet, my testicles and anus. They told me over and over they were going to kill me, then kill my entire family. My whole family lives in Tennessee, (Jackson) and Henderson, and my older Brother Larry Brock, Jr. in Corinth, Miss.

They even knew my Sister Sarah Franklin and her husband Bobby Franklin's address and the name of their three children, Amber, Ashley, and Charlie, and the town (Henderson, Tenn) in which they live.

My father, Larry Albert Brock, Sr. was murdered around 15 years ago, and one of these men said, "We murdered your father as well!"

A Development firm was buying up every livelier farms in an area in Tennessee (Leach) in Carroll County. By promising to build a 20,000 acre, man-made lake, and 'RESORT'. They tried "repeatedly" to purchase my father's farm, and he "would not sell"! He wrote me and called me several times.

saying these people was coming on his property (123 acres), poisoning his trees, tearing down fences, hunting (Illegally - out-of-season), drilling holes in his house; etc... They had taken aerial photos, and made an aerial map of my father

1505 DE AUA

property. I knew it. They needed to ¹⁹² put 52 acres of his property (under-water) for the man-made lake. I didn't hear from him for about 4 months and then I received a letter from my sister Sarah, my father was dead! He had been "murdered". And I'm "positive" of that! I found out a man named Joe, his mother, and (2) cousins were involved! And are the same ones who kidnapped me 11 years after murdering my father! I believe these very same people killed the old lady that lives next door to 1574 American Ave, Pomona Ca 91767. on the EAST side. They threatened to kill my ex wife and her family if she didn't help them get me!

I have a friend named "Larry" who is/was a security guard at "Chase BANK" downtown Pomona, told me some Hispanic men approached him and threatened to kill his wife and kids if he didn't go to Mexico with them. I later saw one of the "Hispanic Mafias", I believe is actually "Cuban"; and part of the "Oulan-Mafia" in Pomona. He owns (3) buildings and a Bar-B-Shop on the N.E. corner of Holt Ave and Indian Hill in Pomona. Myself and one other man witnessed him shoot and kill - 2 illegal aliens (Mexican immigrants) in the back of a U-Haul truck, the truck was "parked" on the side of the street, half-a-block west of Holt and Indian Hill, sitting on the north side of Holt Ave.

pg 3.

I know for a fact these people are kidnapping, torturing and murdering - 290's and 288's (sex offenders) in California. One told me they had killed 12 sex offenders in Tennessee, out of Jackson, Nashville, and Memphis. If you investigate and see how many 288's & 290's are missing, supposedly (obscenely), or in some kind of mental institution? You will be surprised. These people are gang-stalking (using Cherryville 12th St. gang members in Pomona) for stalkers, Hacking in google Accounts, BANK Accounts, EDD, SSN, etc! Stealin' identities of 288's & 290's. Someone tried to get a \$5000. loan from a bank, using my I.D.'s.

I'm currently in Prison and these people are using %'s and the C/B Union to do illegal experiments on inmates.

I found out and when I went to Delano, I met the "Warden" Lettis; and an officer from I.A., an Hispanic Lt. and a white Sergeant. All whom works S-U-Y in 2017, along with % manning ^{BOP} _{Buildings}, and a woman "counselor" (manning) is also involved. I've written the prison officials in Delano, Wasco, and VSP. Prisons, told them inmates are in danger, being experimented on, and they refuse to do anything. They are falsifying Mental Health Records, transferring inmates all over the state, back and forth, giving mental health drugs illegally, for pain = muscle aches, etc.

I have enclosed a list of people in Pomona who are directly responsible.

pg 4.

or helped finance terrorist attacks, etc... The GPS satellite system is being used on inmates to murder them, drive them insane, force them to commit suicide, etc...

These people are killing high risk offenders in Prison. Check all the 290's & 288's getting released from Prison in last 15 years. They let these offenders do most of their prison sentence,

5 years, 10 years, 14 years, 20 years etc... then within the last year, how many have died with a massive heart attack, or other illness with 4-10 months of being released from prison. They are putting something in these people's food, or medicine. There's something in the fatty tissue of the face, and tendons ~~bones~~ or bones of the shoulder joints and hand and feet joints, and in the internal organs. They falsified medical records on me at L.A. County jail saying I had a "CAT SCAN", that I had "gall stones" and needed an operation. It seems the

State of California and the Prison / jail system are conducting illegal experiments on

"Inmates", and so many people, police %'s involved, no one can stop them. I have

written 14 letters to CPS, police, i.e. L.A.

County Sheriff's Department, Pomona. Police Department and Pomona Parole Department.

telling 'All' them I had information a

group of people who are terrorist, have killed people in Pomona. Killed 5 people in Pacoima area, 3 in San Bernardino. a man with no organs in Desert

A man named Joe, his brother, roommate and DJ (oursing live next door to 1874 American Ave, Pomona - 3d) then kidnaps & me, threatening to kill my family. Owner of Spectrum Cable in Pomona is also involved. A. Black. Drug Dealer named T.R.E. and one named Snake in Pomona / Sun City are involved in trying to have me killed. Along with members of the 12th St. Cherryville Street Gang. (mendo) 96. Manning and 101 Manning from De la No. Reception / Prison along with a Hispanic Lt. White Sergeant, and B.I.K. I.A. threatened to kill me if I wrote another letter to I.A. or the Warden asking for help about tomorrow, and the terrorist attack on San Bernardino - Chris Bell

are owned and operated by members of a "Domestic Terrorist Cell". The building on the S. W. corner of Harry Ave. and Holt Ave. in Pomona is owned by a Russian national who I know for a fact held 12 hostages in this building, and is member of a Cherry Valley 72nd St. Gang members, took 9 of them out and killed them.

All these people are "Involved" with the terrorist attack on San Bernardino a few years back. Detective Bde, and Detective Jackson from Pomona Police Dept. know who these people are. I can't figure out why they won't come forward with the information.

These people along with the owner of a Barber Shop on Indian Hill and Holt Ave, N.W. corner; are also responsible for bringing in Drugs, Guns, and "Illegal" Aliens from other countries. I saw this man, (Cuban) shoot 5 "Illegal Aliens" (Hispanic) in the back of a U-Paul truck one night about 2 years ago.

A company "Lifestyle Productions" in 2009, helped arrange to have 2 people kidnapped and murdered. Also their "Backstage Classifieds", is using prostitutes to illegally trap and stalk sex offenders, and so called predators. I've told D.A.P.D. that A Parole CRVZ and (Pomona) Trujillo (Ontario) and Bera all took pay offs to help a turn a blind eye.

to these illegal experiments. These people contacted Dept. of Public Social Service, about me and the Social Security Administration. The "Eagle's lodges" next door to the SSI office, have at least 210% membership who's involved with Terrorism, gun running, "human trafficking", even "young minor girls," and trafficking of "human organs"; ~~Internal~~ They mindlessly that man they found in the desert out by Banning- Cabazon area with "no organs" in his body, I made "3" different police agencies that I knew who did it, and to this day they still haven't come to see me or even talk to me about it. I have information (first hand) about the terrorist attack in San Bernardino. Over half the business downtown Pomona are owned by "drug-dealing terrorist"; as well as "We Care" car lot, "Liberty car lot"; and 3 "Smoke Shops" in Pomona. All have "protection" from Police in Pomona and San Bernardino, I have went to the Police in Pomona and city Hall - mayors office, (4) four times, "D.A.'s office twice", and no one would even take a report.

The Claremont Police Dept, is also informed about these groups, and told me to shut my mouth. I told them those Schools are in danger of terrorist attacks, and the Claremont Police went to (2) of my personal friends and made them - help the Police Department set-me-up! Aimee from Chivas- (Indian Half 10% manas). Told me she helped get me arrested, July 15 2020

pg 8.

When I was Kidnapped by Joe, and his family, they put "Something" in my body, and said they could use it to kill me if I told or went to the Police. They said SpaceX had put a satellite up with electromagnetic impulses they used to (vibrate the central nervous system) in people = called it "Fiber-my algia".

The family of my victims in 1983 in Hoffmann Estates are directly involved in the kidnapping of myself, and death threats on my entire family.
